

Dear FLANC exhibitor,

We are encouraging you to attend the Fall Conference of the Foreign Language Association of Northern California. Please join us! You will be able to display any materials that pertain to foreign language learning or travel in foreign countries.

Our attendees represent all levels of education, from primary to college, and they tell us that a principal reason for attending our conferences is that they have the opportunity to meet with you and talk about your language programs. So please help us make this conference a success for everyone.

Fees: One table: \$200. (About 10 square feet)
Each additional table: \$115 (Same size as first table)

Please make checks payable to **FLANC** and mail to:
America Salazar
4035 Budwing Terrace
Fremont, CA 94538

Federal Taxpayer I.D. # TC23-7408605 • State Taxpayer I.D. #D2828020

The deadline to submit your request is August 31st.

Please let me know if you need an electrical outlet.

In addition, we would like to invite you to offer a session to present your materials or program. This will be an excellent opportunity for you to have a group of our members in a room seeing how your program is used in the classroom. If you are interested in presenting, please go to <https://flanc.net/> and download a “presentation proposal form.” It has instructions for submitting your proposal.

FLANC is a non-profit, all-volunteer organization. We would deeply appreciate any donations you could make. In the past, CENGAGE donated 400 tote bags to give each conference attendee. FLANC would publicly recognize your donation in the program and at the conference.

I look forward to seeing you at the conference. I will do everything possible to make it a successful conference for all of us.
